

# STATE LEADERSHIP PROJECTS

## Grand Bethel Honored Queen's Project

My project this year has been raising money for the Kim Foundation out of Project Harmony in Omaha. Their focus is on increasing the awareness and promotion of education related to mental illness and suicide. Each Bethel has been given a mason jar that they can decorate for them to put money in as they collect it throughout the year. These will be displayed at Grand 2024 at the GBHQ display table. You can contact me for a new jar if something happens or you need a second one. The Bethel that raises the most money will receive a 'spa night basket' with items of their choosing.

Money raised by Bethels for the Kim Foundation should be sent to the Nebraska Grand Guardian Council, to the attention of Grand Secretary Denise Hamilton by May 1, 2024.

If you have any questions feel free to contact me via email,

## Miss Nebraska Job's Daughter's Project

For the Miss Nebraska Job's Daughter's Project I want to highlight the hard work the members have done over the past year, and give them their chance to shine!

Every Bethel that raises at least \$100 per member will receive recognition at Grand! Bethels that raise \$100 per person will receive a constellation in a "night sky" display, Bethels that raise \$500 per person will receive a star on a Jobie Walk of Fame, and Bethels that raise \$750 per person will receive a Death Star in our night sky!

The Bethel who raises the most money for HIKE this year will receive an ice cream party on Thursday night, after Grand Formal Opening! Along with the ice cream will be some music and fun lighting to celebrate the Bethel's accomplishment. After your HIKE earnings are submitted, I will send the winning Bethel a Google Form including questions about allergies, flavor, and topping preferences to be completed by June 15th.

Please submit HIKE earnings to Grand Secretary Denise by June 1st, 2024 to be considered for these prizes!

Thank you!

## Miss Nebraska Congeniality's Project

The theme for the 2024 Miss Nebraska Congeniality's project is Guardians of the Galaxy. During our travels, each Bethel received a cut-out of Groot to take to their fun events. Hopefully you have been taking pictures with Groot and posting them on social media as a fun way to promote Job's Daughters.

At Grand, I will be making a collage with the photos to showcase the different promotional activities throughout Nebraska Job's Daughters.

There is also a membership incentive included with my project.

Bethels who bring in:

- 1 new member will receive a Build a Groot Kit
- 3 new members will receive Guardians of the Galaxy themed pins
- 5 new members will receive Mini Groot Figurines

Photos and the number of new members in your Bethel can be emailed to me at [mncjennah@gmail.com](mailto:mncjennah@gmail.com).

Please submit them by May 1st, 2024

Thank you!

Jenna Helter
