

Nebraska BETHEL

- Includes activities from the Exemplary Leadership Award and Bethel Award of Distinction -- activities your Bethel is probably already doing!
- Great tool for Honored Queens to use while planning their term
- All Bethels will receive information about the different activities completed across the state, giving you a bank of ideas to borrow for future terms
- Newly-revised program includes points for Jobie-to-Bee activities, HIKE events, service projects and more
- Successful Bethels will start planning immediately, set achievable goals and develop an action plan

START PLANNING TODAY!

Could *your* Bethel be the **2024 BETHEL OF THE YEAR?**

CALLING ALL NEBRASKA BETHELs! We are on the hunt for the 2024 Bethel of the Year -- and it could be YOU! All Bethels are invited to submit an application showcasing the amazing things you do throughout the year. Tell us about your meetings, community service, fundraisers, fun activities, Masonic family events and more, and you could find yourself with the giant trophy at Grand Session!

The guidelines for the 2023-24 Bethel of the Year program are included in this packet and are also available online. Use this as a roadmap to creating a fun and engaging term, filled with activities that all your members will enjoy.

The 2024 Bethel of the Year will award points for all the different things you do throughout the year, combined with your participation at Grand Session to determine the winner. There are plenty of activities that can be accomplished by Bethels big and small. Set a goal and see where your Bethel can go!

Remember! You need to collect photos and mementos from your events throughout the year to submit as a part of your digital scrapbook. (Plus, this will give you a great opportunity to highlight all the fun your Bethel has when talking to prospective members.)

IN THE END, EVERYONE WINS! While only one Bethel can be named Bethel of the Year, really, we all win, because we will be compiling a document listing all the activities Bethels have done throughout the year and sharing that with all NEJD -- giving you a great resource for new ideas and inspiration to help you plan your future Bethel terms.

We hope to see every Bethel participate and share the amazing things happening in Nebraska Job's Daughters!

Bethel of the Year Letter of Intent

Our Bethel will participate in the 2023-24 Bethel of the Year program. As Bethel Guardian, I and/or other Council member(s) will work with the Honored Queens of the fall and spring terms to assist them, as necessary, in planning their terms using this program and aiming to create even greater sisterhood, camaraderie, leadership growth, learning experiences and fun memories for our members.
